REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Albany:

The school continues to maintain an excellent rating under the able direction of the teacher, Almee W. Morrill. The total registration so far this year is eleven pupils.

The general statistics for last year show a total registration of 10, an attendance record of 93 per cent., fifteen cases of tardiness and fifteen visits by the superintendent.

The medical inspection was made by Harriet M. Curren, R.N., school nurse. The report for the year ending June, 1936, shows these defects: Teeth, 8; pediculosis, 12; speech, 1; nervous condition, 1. A few cases have been corrected.

The amount of state-aid for next year will be known at the time of the March meeting. The per capita tax will be \$52. The new equalized valuation for 1937 and 1938 is \$185,689 and the amount to be raised to qualify for state aid is therefore \$928.45 in addition to the statutory obligations.

Nine pupils are attending high school at Conway. They are Jessie Ballentine, Harold Brown, Richard Brown, Richard Lane, Dorothea Moore, Harry J. Moore, Irma Morrill, Ruth Northrop, Ernest Goodno. There are two elementary tuition pupils in Conway and three in Bartlett.

Respectfully yours,

JOHN H. FULLER,

Superintendent.
